Sir,

SUBJECT -- Sanction for certain additional posts of teachers in the Municipal High School, Holenarasipur

1) I have the honour to state that it is reported that an additional teacher on Rs.40/- per mensem was appointed in 1936 in the above school, since an additional teacher was required during that year as an additional section was opened in that year in the High School First Year Class Since only one post on Rs 60-4-80 was utilised as against two of that grade admissible for a school with 3 sections as per para (2) of the Municipal High School rules, this teacher on R 40/- per mensem is stated to have been continued even after the additional section was abolished subsequently The appointment of this additional teacher has been objected to in audit, as sanction of Government was not obtained for the same

2) The one post on Rs 60-4-80, which fell vacant on the promotion of the first assistant of the school as Headmaster thereof owing to the transfer of the lent official of the Department, viz, Mr B K Satyabodhachar, to the newly started High School at Bhadravathi was not filled up at all till now, the reason being that the management wanted to promote simultaneously two teachers in grade Rs 40-4-60, who were entertained in the school on the same day It is further reported that one or of the two teachers in question has since been transferred to the newly

newly started Municipal High School at Arasikere where he was promoted to Rs 60-4 80 and that the other has been promoted as headmaster in the same school in the vacancy caused by the transfer of the Headmaster to the Municipal High School, Arasikere Another teacher in grade Rs.40-4-60 is stated to have been since promoted to the grade of Rs.60-4-80 which post was kept vacant so far Now, the Management have resolved that another post on Rs.60-4-80 may be created in the school, since the same is admissible under the rules The Municipal Council are stated to have agreed to the proposal The additional post of Rs 40/- per mensem will be discontinued from the time when the additional post on Rs.60-4-80 is utilised

3) An additional section in the First Year Class is reported to have been opened this year due to increased strength in that class The Deputy Commissioner has proposed the appointment of an additional teacher on Rs.40/- in grade Rs.40-4-60, as the same is required to -- meet the additional demand The Municipality and the Management of the school have approved the proposal

4) The Deputy Commissioner has also requested the enhancement of the grant to the school on account of the increased expenditure But, since according to para (2) of the Rules, the grants are revised once in three years on the basis of the expenditure of the previous three years, the expenditure will have to be admitted for purposes of grant only at the time of the next revision, for the present the net extra cost after deducting the extra fee income being met from the funds of the Municipality The Deputy Commissioner will be informed accordingly

6) I recommend, therefore, that sanction may kindly be accorded to -

1) the appointment made on Rs.40/- per mensem during 1936 until the teacher is absorbed in connection with the filling up of the additional post of -- Rs.60-4-80 to be sanctioned now,

2) the creation of an additional post of Rs.60-4-80 from the date of utilisation, and

3) the appointment of an additional teacher in grade Rs.40-4-60 in connection with the additional section opened this year;

with effect from the actual date of appointment, the extra cost being

being met from the budget of the school.

Sir,
